## TECHNICAL SKILLS

- Drawing
- Character design
- Frame-by-Frame animation
- Animation Principles
- Storyboarding

## ANIMATION AND DRAWING TOOLS

- Ibis Paint X
- Krita
- Canva
- Capcut
- Figma
- Adobe Animate

## CORE WORK

### SKILLS

- Team collaboration
- Problem-solving
- Adaptability
- Time Management
- Attention to detail
- Computer skill

## PROFILE SUMMARY

I'm an animation student at PHINMA University of Pangasinan, working towards a career in animation industry. I'm passionate about creating visually engaging stories and have experience with both traditional and digital animation techniques. I enjoy character design, storytelling, storyboarding, animation and look forward to using my creativity to contribute to exciting projects in the animation industry.

## EDUCATION

### PHINMA University of Pangasinan (2021 - 2025)

Arellano Street, Dagupan City Philippines

Bachelor of Science in Information Technology Major in Animation

- HK Scholar

## PROJECTS

### Alucaria by SMTH Studios

Beyond Boundaries (2023)

A final examination project of character design, our team of five collaborated to select a theme and create characters that are interconnected, reflecting relationships between each team member's designs.

### Guhit Tutorials by ArtStack Studios

CITE Exhibit (2023 - 2024)

The website provides basic tutorials, tips, and techniques for learning how to draw character anatomy and animation. As the Co-lead Graphic Designer on this project, I was responsible for creating and designing the website's logo.

### DISSIMILAR: The Crystal of Destiny by ANIM1 Productions

Capstone Project and Research 2 (2023 - 2024)

A short animated film blending 2D character animation with 3D backgrounds follows the journey of a child who, after gaining powers from a meteor, must take on the massive responsibility of saving the world without parental guidance. In this project, I took on multiple roles: Lead 2D Animator, Lead Character Designer, Storyboarding Artist, Co-Director, Co-Writer, and one of the voice actors. The film earned the title of "Best Animation Project" at the 2024 CITE Success Ladder event.

### PixelWorx

Business IT Venture (2024)

Worked with a team to develop a reservation system for a firm called "PixelWorx" where they offer a wide range of printing services, like shirts design, brochures, banners, and more. I am the Lead UI/UX Designer and prototype animator in the team.

## INTERNSHIP

### RocketSheep Studio (2025)

**Project:** Zsa Zsa Zaturnah

**Directed by:** Avid Liongan

Worked as a Background Characters Animator work on a several task that had been assign to me.

## CERTIFICATES

Ibis Paint X

Role: Co-lead Graphic Designer

The home page of the Guhit Tutorials website. It has a dark background with a central circular icon showing a hand writing on a tablet. Text on the page includes "Learn Animation Interactively", "Build projects, practice and learn to draw and animate from scratch - without leaving your browser.", and a "GET STARTED" button.

The "What is Animation?" page of the website. It features a large circular image of a futuristic city at night. Text on the page includes "Animation is a dynamic art form that brings still images to life, creating the illusion of movement through a sequence of frames.", "It's a versatile medium used in entertainment, education, and more, capable of evoking emotions and delivering complex messages through characters and scenes that captivate audiences of all ages and cultures.", and "Whether hand-drawn or computer-generated, animation is a powerful tool for storytelling and communication, pushing the boundaries of visual creativity."
